

## LABSYSTEM 3100 - SURFACE MOUNTED VERSIONS

### EXTENDED ORDER INFORMATION

**EMD** **3100** **08** **\*** **BC** **E** **4** **P** **CL6** **CL6**

Point of use regulator

Series 3100  
Analyze version 3104

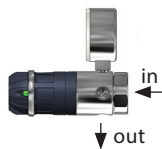

**01** = Regulator  
**06** = Regulator + VD inlet shut off valve  
**07** = Regulator + flashback arrestor  
**08** = Regulator + outlet MVRA  
**10** = Regulator + VD inlet shut off valve + outlet MVRA

- = none  
T = Table mounted \*  
H = Hanging version\*  
Other version on request.

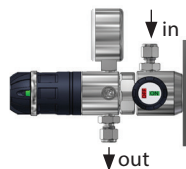

Material  
**BC** = Brass  
**SS** = Stainless steel  
**B** = brass (wall version with cover plate only)

Inlet pressure  
**E** = 40 bar  
**D** = 12 bar  
**A** = 1,5 bar

Outlet pressure  
**1,5** = 0,2 - 1,5 bar  
**4** = 0,5 - 4 bar  
**10** = 0,5 - 10,5 bar

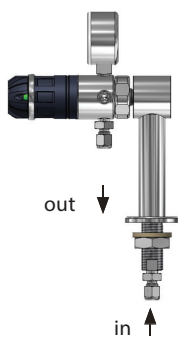

**O = basic version**

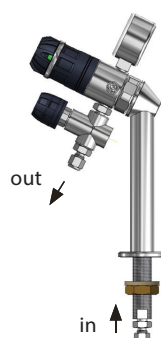

**P = with plate**

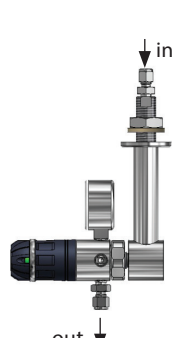

**W = with wall adaptor**

**T = Standard**

**TA**

**H = hanging version**

**HW**

Inlet connection

**0** = without fitting  
**CL8** = tube fitting dia 8 mm  
**CL10** = tube fitting dia 10 mm

Outlet connection

**0** = without fitting  
**CL8** = tube fitting 8 mm  
**CL10** = tube fitting 10 mm
